FOREWORD

For many centuries, banks have served society by fulfilling some of man's most important needs. Through the years, a bank has been a place where people have deposited with confidence their most valued possessions. A bank is a place where one can go to receive counsel to help him make important decisions. In time of financial stress, people know that a bank will help. It is also a place where people deposit money and cash checks. A bank is truly a centralized medium of exchange.

When we seek the similarities between our school and a bank, we find that various components and functions can be symbolized with parallel segments. Each element of our school has its counterpart in a bank. Dominguez is indeed a place where a student entrusts his most valuable possession—his mind. At our school we find willing and capable advisors. These people help us make many of our most important decisions concerning our future. We feel free to discuss our problems with any one of our teachers. As customers come to have checks cashed in return for monies deposited, students bring their efforts to school and in exchange acquire knowledge.

On these premises, we conceived this analogy—OUR SCHOOL IS OUR BANK.

Where else can you find a better medium of exchange than values received from our high school education?

As we matriculate into life's school, we should keep our accounts open to new knowledge that can be gained from further endeavor. OUR HIGH SCHOOL—OUR INVESTMENT.

To maintain an effective business,
 good personnel must be employed.
 Just as it takes an efficient board of
 trustees, a president, tellers, book-
 keepers, secretaries, and clerks to
 conduct a bank, it also requires an
 intelligent board of trustees, super-
 intendent and other administrators,
 a principal, teachers, secretaries,
 clerks, and custodians to sustain an
 effective school. We present our
 Dominguez ADMINISTRATION
 and FACULTY.

JOSEPH L. CAUSEY
President

DOMINGUEZ IS LUCKY to have such an experienced board to guide its destiny. It is good that a city has civic minded people who are willing to spend much of their own time to improve the community in which they live. We are grateful to this group of far-sighted people for their untiring interest in the welfare of youth.

District personnel

FAMILIAR SIGHT: MR. HEMPHILL points to a spot on his map of Compton that will eventually be one of our two new junior high schools. Much time was spent in trying to cope with the rapid expansion of our district. They succeeded in obtaining \$2,436,127 state apportionment for this District, which places Compton third among the 16 high school districts of Los Angeles County in money received from the state.

and Activities

RAE E. CARGILLE
Deputy Superintendent

MR. HEMPHILL, our popular Superintendent for seven years, kept his co-workers well informed with his chatty informative bulletin, TALKING THINGS OVER. In that publication this past year we saw: "Board of Trustees Adopts Teacher Salary Proposal; Long-needed Health Manual Ready for Trial in District; Board Adopts Revised Extra Duty Schedule; High School Students to Take Home IBM Report Cards; Summer School up 67%; Pupil Cost Last Year \$461; Enterprise Plant Improved; New Diesel Bus Replaces One in Use for Two Decades; Employees to be Fingerprinted; Dates Set in Extensive District Building Program; Joanne Dale is Awarded First Aloise Belben Plaque; Community Chest Drive Exceeds \$5000 Quota; Aural Education Students Make Television Appearance;

State Apportionment \$2,204,803; Price Lists Distributed to Cafeterias; Hemphill Works on Administration Clinic; Barnes Leaving for Job in Los Angeles School System; Les Vien Business Manager Succeeding Robert G. Barnes; Easel is Do-it-Yourself Industrial Arts Project; PE Committee Drafts Guide; Grade Guidance Folders Now in Hands of Teachers; Vanguard Name Chosen for New Junior High School; Dominguez Presented History Reference Works; Officials Studying Bids on Senior High Building; Appraisal and Accreditation Authorized by Board; Bunche Expansion Bids Scheduled for March 18; Superintendents Lay plans to Improve Articulation; Break Ground at Dominguez for New Classrooms." BANK STOCKHOLDERS think long and hard before they entrust the responsibility of bank funds to one individual. Likewise, our TOP EXECUTIVE, MR. KEITH LEE, shoulders the great responsibility of guiding the educational affairs of 1200 students and 73 employees. This he does with ease and confidence. Students and faculty alike feel free to discuss problems with him. Four times a year he requires a bank call (going over grade books) to see that his customers and employees are correctly handling their assets. Everyday he directs some facet of our public relations that helps our prestige in the community. Much of his time this year was spent supervising plans for the new classrooms and gym. His is the last word on school policy. He has earned the respect of all who are associated with him.

EVERY EXECUTIVE needs a CAPABLE SECRETARY. MRS. HELEN PEARMAN begins her day by answering the phone from 6 A.M. on, getting substitutes. She is a perfect example of how a good sense of humor can keep a busy person from frustration, for nothing gets her down. In spite of her many duties, she always has a cheery word of encouragement for all.

Good guidance

Every other Tuesday at 7:30 A.M.

HELEN PEARMAN

is a necessary asset

A bank would never survive if there weren't RESPONSIBLE PEOPLE on the job keeping all the accounts straight and maintaining order. MR. LOUIE JOSEPH, as Boys Vice Principal, and MRS. HELEN THOMPSON, Girls Vice Principal, performed this same service for our school. With their able secretary, MISS BARBARA KING, they set up a secure pattern for all to follow. Mr. Joseph also supervised the athletic program and Mrs. Thompson managed all the curricular problems. Under her direction, Barbara King produced the weekly bulletin that kept all personnel working together.

HAVING COORDINATORS makes a vast difference in a school. They smooth the way and tie loose ends together. B. C. (before coordinators) each teacher had to keep his own attendance register, which added to his already heavy burden. Now with MRS. OPEL PIROTT as Attendance Coordinator, we have a veritable watchdog of the treasury, for she impresses upon students that good attendance means money in the bank. B. C. a school had an assembly only if an overworked teacher would volunteer to sponsor it. With MR. BOB GREGORY on the job as Student Activities Coordinator, we can participate in a student cabinet and plan activities which thereby guarantee us our place in school administration. B. C. students haphazardly chose careers with little or no guidance. With MR. EUGENE BARMORE available as Guidance Coordinator, there's always an office open where we can go to get help, see our test results, and discuss problems.

A CLEAN and attractive school invites learning and develops morale. OUR CUSTODIANS were constantly washing lockers, cleaning windows, blowing lights, moving bleachers, etc., which made our school a smooth running institution. MARTHA DELANEY won the Outstanding Student Award, which is sponsored by Savings and Loan Associations of California. The qualifications for this award are: must be ranked as one of the top 20 scholars in the senior class, must be a student planning to attend college, and must have rendered outstanding service to the school. In tenth grade Martha was secretary of the sophomore class, feature editor of the DON NEWS, and was elected "Best All Around Reporter". She was a member of the Honor Society for three years and a Sealbearer. She participated in Spanish Club for two years, and faithfully attended Y.F.C. during her entire high school term. Becoming a member of the Drill Team in her junior year, she was later elected captain. She was president of Las Chinas. Martha certainly deserves this title—OUTSTANDING SENIOR.

A letter of credit opens the vault door to college

They're tops! BRUCE LITTMAN and JUDY MESSICK tied for valedictorian honors, both having straight A averages. Judy and Bruce have attended Dominguez for three years. Bruce, a member of Discussion Club and first semester Honor Society president, was awarded \$100 scholarship in zone

competition for Bank of America Awards. Judy belonged to Las Chinas, Drill Team and Honor Society. She was named one of our Soroptimist Girls of the year. With such records, it is self evident they have literally "cashed in" on opportunities during their high school years.

Scholarships provide for further knowledge

SEALBEARERS: To rate this title, a student must be an honor scholar for four semesters during their high school years, one of which must be in their senior year. BRUCE LITTMAN, JUDY ZIPPER, JUDY MESSICK and MARTHA DELANEY were the only seniors to achieve this.

A fifty-dollar scholarship to Compton J.C. goes to LYNN LONGBRAKE from the Business and Professional Women's Club of Compton.

MARTHA DELANEY was presented a pin and certificate by the DAUGHTERS of the AMERICAN REVOLUTION for her dependability, service, leadership, and patriotism.

GAIL OPPENHEIM made the highest score on the Betty Crocker test administered yearly to Southern California High School students. This test is based on knowledge of marriage, food, nutrition, and other aspects of homemaking.

Resourcefulness pays

Contenders for the "Soroptimist Girl of the Year" at Dominguez were ERIKA STEINHILBER and JUDY MESSICK. Each semester the Soroptimist Club of Compton invites outstanding girls to a luncheon at which they inform the public of the accomplishments of the honorees. It is a pleasant and rewarding experience for a girl. Erika Steinhilber, a recent immigrant to the United States, could speak no English when she enrolled as a junior. Judy Messicks' many achievements speak for themselves in other sections of our book.

Each in his or her way dominated much of Dominguez students life this year. Tom's football accomplishments won the respect of all. Martha was elected by the entire drill team to be their leader. Larry's height and ability made him a drum major the entire band could follow. Gene built spirit at every opportunity. Ron's spectacular broken field running sparked enthusiasm at football games. With spirit builders such as these, Dominguez had a wonderful year.

STUDENT COUNCIL served as a clearing house and centralizing agency for all student activities. This group regulated money raising plans to avoid over-lapping, worked with the Senate on Fiesta by controlling booth ideas, approved charters for Discussion and Math Clubs, approved Las Chinas petition to tile the Victory Bell stand, and worked out details for the 1960-61 C.I.F. inter-school clean campus competition. Dominguez originated the idea of using a gold trash can as incentive.

First semester STUDENT COUNCIL met three times weekly at 7:45 a.m. in the conference room. First tackled was the job of increasing funds. \$3.75 per S.B. card was not sufficient to meet budget needs; so they piloted a school vote and on the basis of this, raised S.B. fees to \$4.50 per semester. Three changes were made in the Constitution, namely:

1. The grade standard for student body officer candidates was lowered from a 1.5 grade average to 1.3 with no F's or U's in citizenship.
2. Soph sweetheart, prom queen and king, and homecoming queen must have a C average without F's or U's.
3. Yell leaders are required to maintain a C average without F's or U's. These requirements must be maintained during entire term of office.

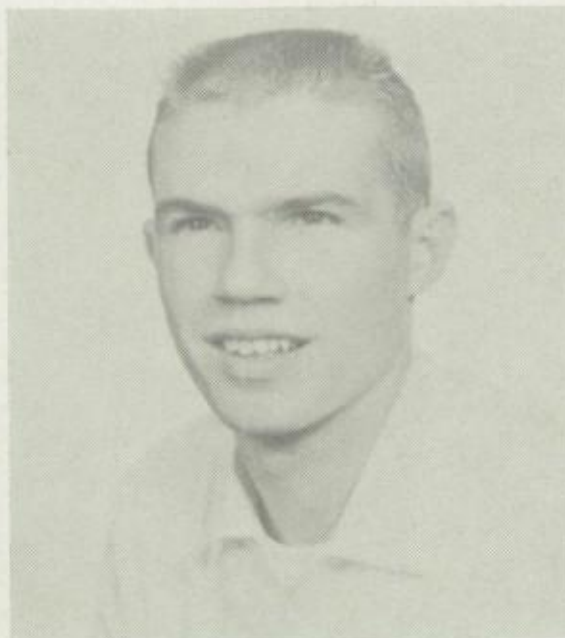

LARRY RAMSEY, second semester PRESIDENT, never lost an opportunity to create good feeling between students and faculty.

SPECIAL INTERESTS

Banks encourage the growth of special interest groups among their personnel as good mental health outlets. Public speaking, bridge, travel, etc., are but a few of the many existing avenues of interest open to employees. Our school practices this same philosophy. In this section we show our special interests in action. Our CLUBS give us small-group opportunities to practice what we learn. Our SERVICE ORGANIZATIONS boost morale, and develop school prestige.

SPANISH CLUB members strove to develop that foreign tongue. Frequent meetings at which only Spanish was spoken enabled the Los Pasionos to enlarge their vocabulary and become more fluent. Everyone looked forward to the annual trip to Padua Hills to enjoy the Christmas play presented for them in Spanish. Outstanding awards were won by participators in the Foreign Language Field Day at L.A. State. DON ALEXANDER won a third place award for second year picture description. JAN JONES and STEVE McJUNKINS completed 34 rounds in competition for 21 Questions.

DISCUSSION CLUB (upper left) gives garrulous members a chance to express their opinions openly about all current events of interest. It has managed to gain strength and arouse the interest of the campus with such thought provoking issues as Capital Punishment and World Peace.

FENCING CLUB (right), new this year, was a small but zealous group. These Monte Cristos of the campus appeared every Wednesday out-doors between the boys' and girls' dressing rooms for competitive practices. One of the high-lights was a duel meet between Chadwick High School, with MARTINEZ and and SCHULTE taking second and third places respectively. KEY CLUB'S goal this year was comfortable conditions for all in school activities. They acted as block wardens in school bomb drills. Their appearance at games, assemblies, and other activities always motivated school spirit.

SPORTSMAN'S CLUB members, commonly known as suspender benders, worked out with gloves and weights in developing their masculinity. The boxing matches they attended in L.A. stimulated their interests and added to their experience. Aside from physical development, they developed the school standards by participating in keeping the campus clean and promoting fellowship and sportsmanship.

FUTURE TEACHERS banked on early facts gained about teaching. Everyone enjoyed the visits by Dr. Shepherd, U.C.L.A. Professor of Education, who spoke on the problems of high school teaching, and Mr. Rollins, Guidance Co-ordinator at Compton H.S., who spoke on elementary teaching. Sharing the experiences of these people has enabled these apprentice teachers to determine whether a teaching career would be suitable.

Club rendezvous are abundant on campus

SPEECH and DRAMA members (upper left) used their gift of oratory at tournaments. By participating in events of the Southern California Debate League, the LAS PARLANTEs came home with high honors. At the Orange Invitational Speech Tourney at Redlands University, debaters and orators spent a night experiencing a touch of campus life. FUTURE HOMEMAKERS (left) planned their activities to agree with their future goals. Dabbling in sewing and housekeeping, these ambitious girls make the energetic women of the future. High-lighting the year was a fashion show at Welch's Restaurant. With such well trained girls no household could go bankrupt.

NATIONAL HIGH SCHOOL & JR. COLLEGE MATH CLUB (lower left), new this year, has thirteen charter members. Figuratively speaking, they are comptrollers of the campus.

Sponsoring a workshop of the Southeast Conference of Mathematics on April 23, was their first big project. Under the able supervision of DICK MALLEY, their president, and Mr. LYNN, Sponsor, these modern Einstein's are on their way to real achievement in the math field.

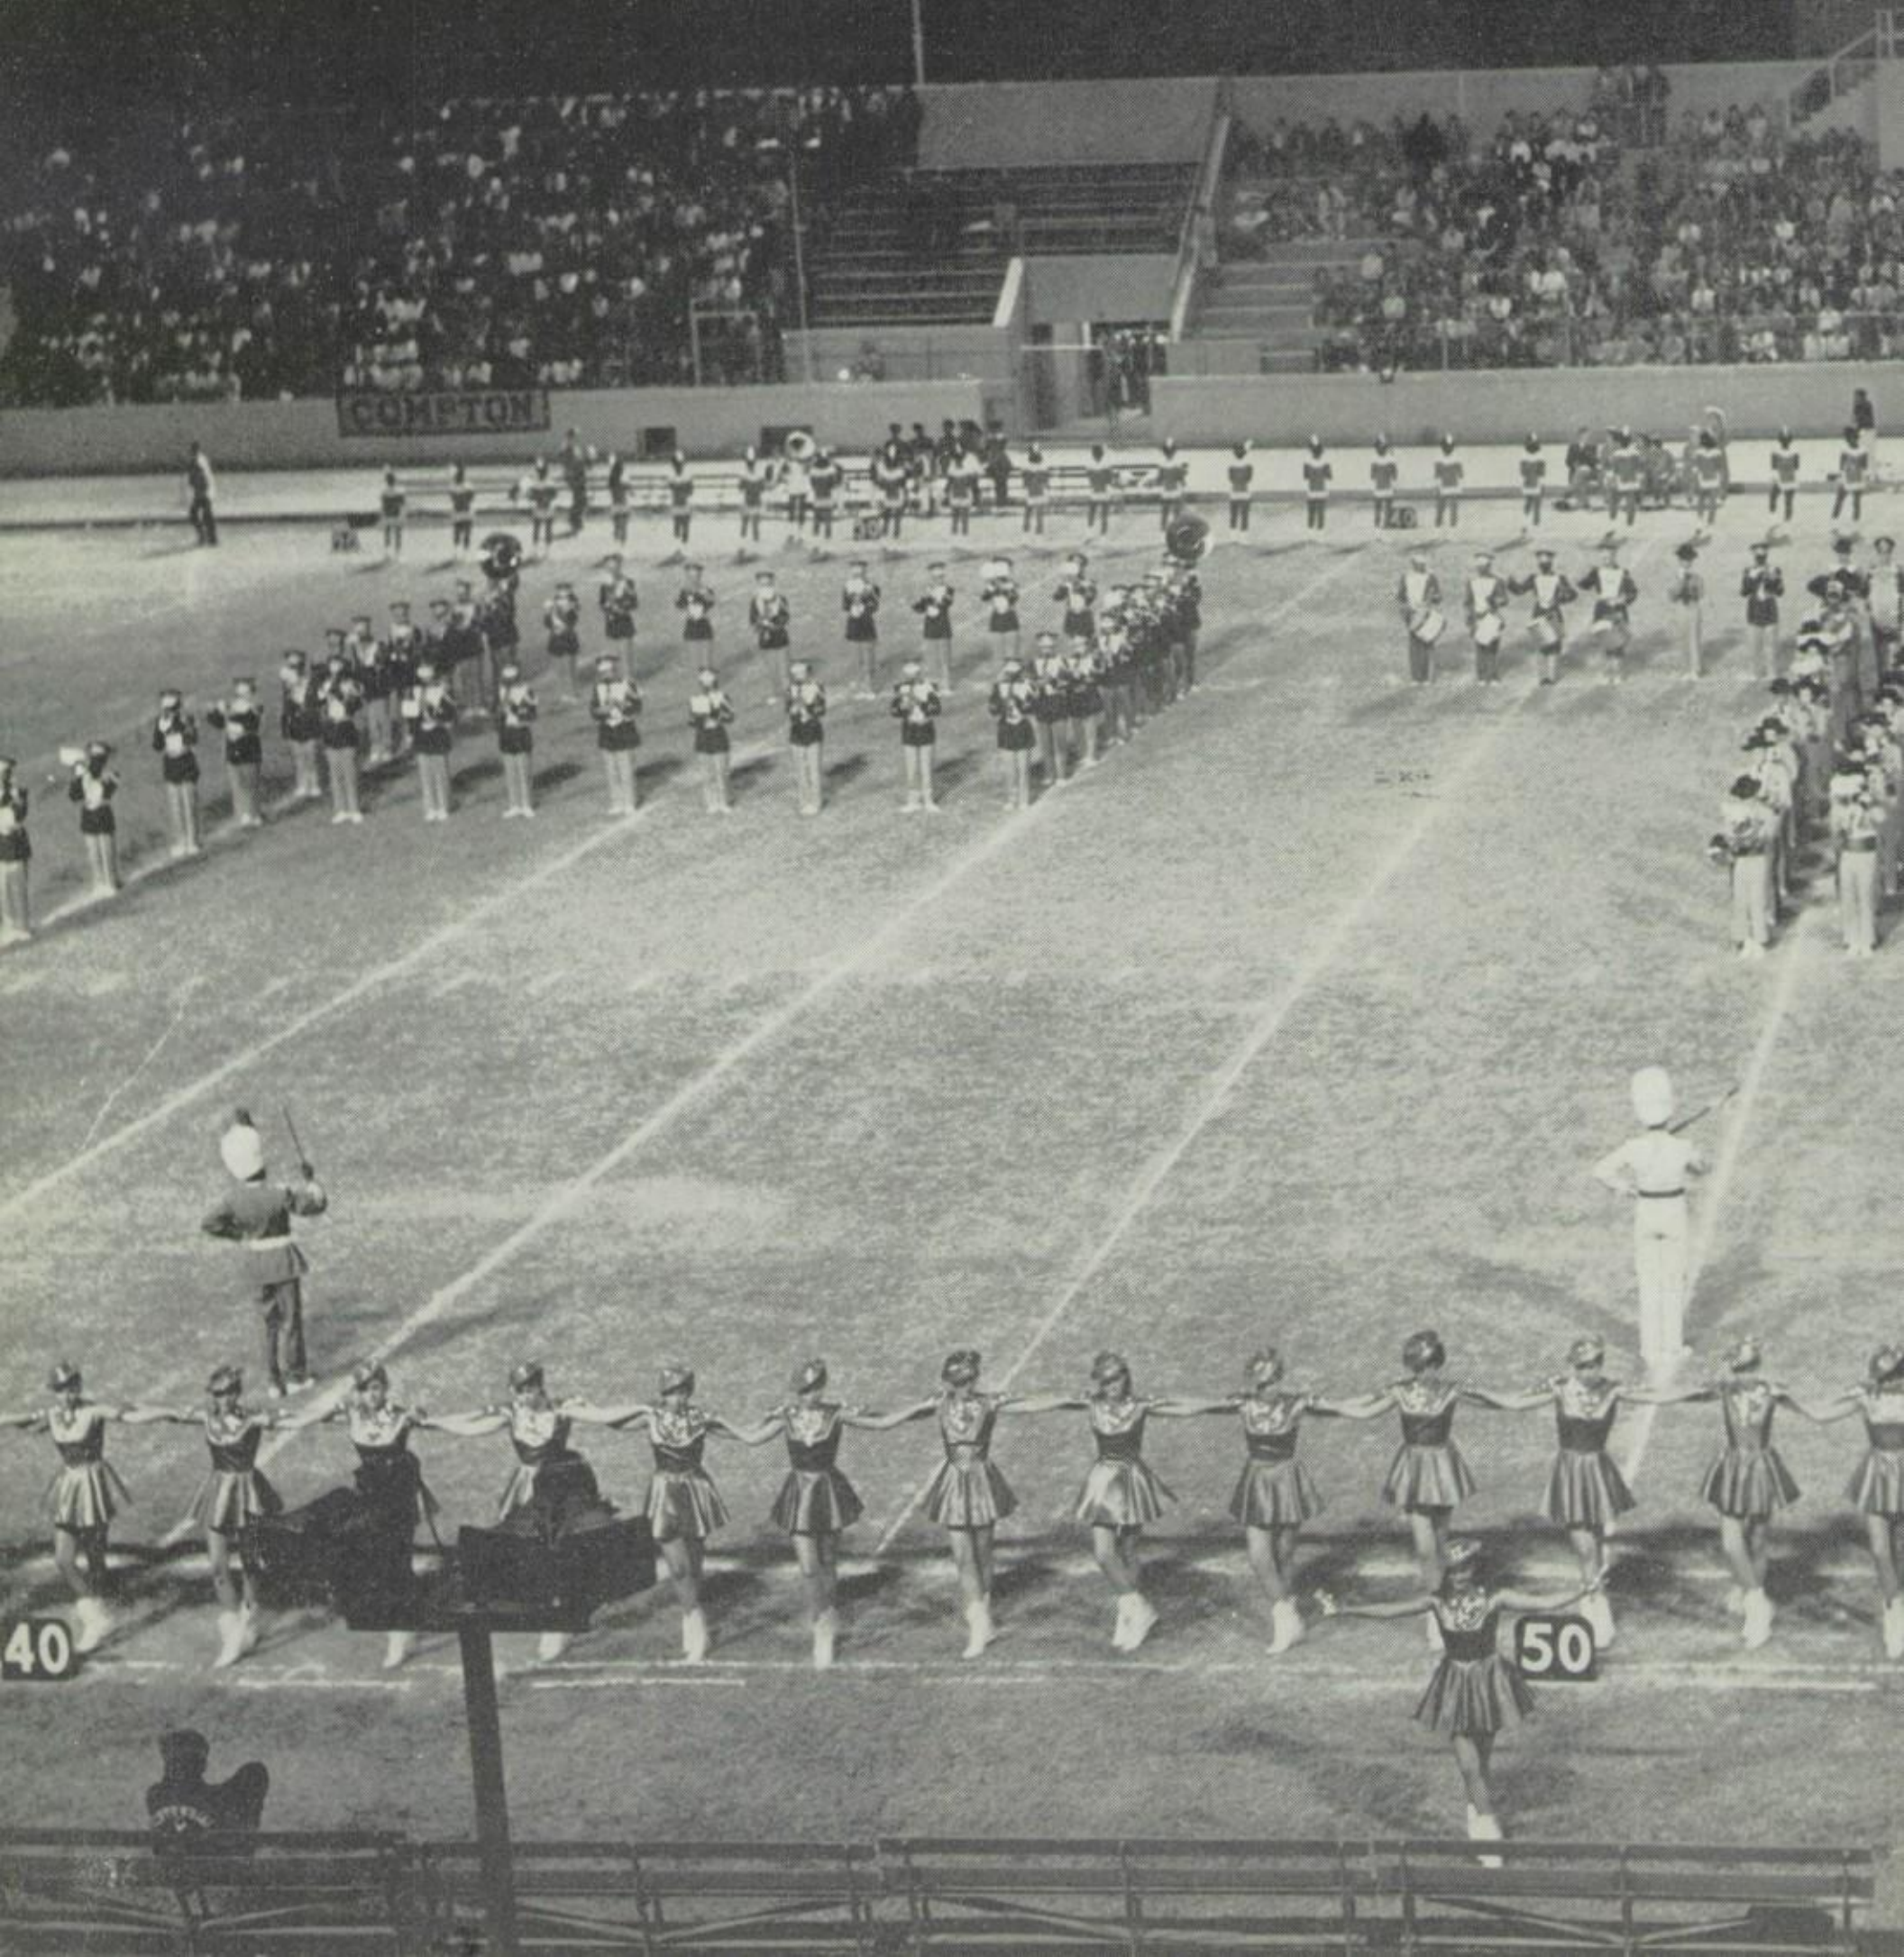

ART CLUB (upper right) showed taste in creating provoking exhibits. Campus displays enabled these twentieth century DaVinci's to implore their talents. DON TILTON and INEZ O'CONNELL fascinated throngs at the Fiesta with their impromptu portraits.

YOUTH FELLOWSHIP (lower right) drew crowds with their exciting lunch-time entertainment. Such outstanding stars as singer BRUCE BELLAN and ventriloquist WES STALLINGS were presented. A record crowd of 330 students attended the meeting. The great success of this club was attributed to the effective way in which the officers worked together.

Excellent supervision was again given to the LAS CHINAS by their capable sponsor, Mrs. KATHLEEN EACUTT.

LAS CHINAS, in red and white garb every Thursday, was one of the most popular and successful organizations on campus. We all looked forward to their money making scheme of selling cup cakes at the hungry time (before and after school). They ushered at the P.T.A. Back To School Night and the Fall Concert. Their record booth at the Fiesta attracted continuous crowds. In truly feminine fashion they ushered at the graduation ceremony attired in beautiful formals. The tiling of the Victory Bell in scarlet and gold, our school colors, was their big contribution to the school this year. Only high caliber girls can keep pace with this energetic group.

Under the able direction of MR. RUH, the LOS CHARROS concluded another successful year.

LOS CHARROS members won the respect of the campus with their spirited attitude toward serving the school. Everyone reacted to their room-to-room crusade in promoting attendance at football games. In financing a motion picture camera, the Los Charros have made it possible for the school to photograph athletic and other events. Their "pick-it-up-please" campaign to keep the campus clean succeeded in saving our precious snack period. The Sadie Hawkins Dance sponsored by them was a terrific success. This organizations goal of "Serve our school and do it well" was evident in the years' activities.

DRILL TEAM members never failed to give the student body a thrilling performance in precision dancing and marching. Their red and gold uniforms glittered alluringly at both day and night events. They performed in the following parades: Lynwood, Compton, Palm Springs, Gardena, Monrovia, and Arcadia in which they placed fourth in competition. To finance their annual banquet, the DONETTES held an April Fool's Day Dance. We were proud of this outstanding group.

MUSIC DEPARTMENT has provided much in the way of entertainment this year. Students have shown growing interest in these organizations, proved by the increasing numbers enrolled in the past year. Their schedule has been one varying from early morning practices to long sleepy sessions in the evening. Preparing for the programs took time and patience, but the finished performances of the Fall Festival, Christmas Concert, and Spring Concert compensated for all the hard work.

Music and vocal ability make for a full life

MEN'S GLEE (upper left) looking very snappy in red jackets with flowers in lapels, were featured in the Fall and Spring Concerts. Their striking appearance was only topped by the blending of their voices. During the Christmas Concert, JOE ARIAS added to their presentation of Dry Bones with a humorous pantomime.

SONGETTES (lower left) chose attractive white sheaths for their uniform of the year. Appearing in the Fall and Christmas Concerts, their melodies delighted all. Their Christmas caroling on campus helped all to experience an early sensation of the coming holiday.

"A fine group", says Mr. Elling.

A CAPPELLA CHOIR (upper right) sang harmonizing notes at all musical presentations this year. Decked in their new scarlet and gold robes (that failed to arrive for the Christmas Concert) their unity in song and dress was complete. Singing nostalgic melodies, they set a mood of reverence for graduation and Vespers Services.

MR. ELLING believes in practicing what he preaches. He has a well trained voice and leads his songsters during performances in grand style.

El Espejo staff published

EL ESPEJO staff worked hard in producing the annual this year. Many tedious hours were spent on layout and copy. Everyone lost weight because of so much running around the campus for various information. Deadlines were met, but as soon as one was over, there was another to expect. The work wasn't easy, especially since the entire staff was new. But, they learned and worked together in true comradeship, all with the common goal of producing a good annual.

this ledger of Don life

THE YEAR BEGAN at a leisurely pace for the annual staff. Field trips to U.C.L.A. and Redlands on Journalism Days were part of their more "relaxed" schedule. This didn't last for long. One hectic week was spent right before this book went to press on deadline. One staff reward was the Publications Banquet held on June 9, at Knott's Berry Farm. Both the annual and newspaper staffs donned their best attire for a very enjoyable evening.

"I'M SITTING ON TOP OF THE WORLD, just singing a song..." BOB WEYGAND, staff photographer for the past three years, spent two whole days atop building H getting Junior and Sophomore group shots. "Nothing is impossible," BOB'S theory, bouyed the staff often.

Each staffer had ample opportunity to demonstrate resourcefulness, creativeness and ability to accept responsibility. Suggestions by MISS McMONEGAL, the staff supervisor, were appreciated and worked out well in producing a better annual. With an experienced staff of nine to train prospective cub members, next year holds great promise.

P. T. A. OFFICERS for 1959-60 were: Mrs. Loyal Treweek, President; Mrs. George Cory, Treasurer; Mrs. Lee Priest, Secretary; Mrs. J. J. Johnson, Parliamentarian.

P.T.A. began the year by sponsoring a "Back to School Night" for parents. They lived their theme, "The You in Youth". A life membership was presented to MR. LARRY LEBLANC for his unstinting devotion to Dominguez. From Dental Bowl receipts, they helped many children keep their teeth. Monthly meetings were snappily conducted and their program offerings always provided inspiration and interest. Their clever monthly "Dominguez Newsetts" was effective school-to-home communication and accounted for much of parental interest.

BOOSTER CLUB gave parents a chance to participate in activities that promote school spirit. Their all-out appearance at games was prominent. Their cheers were as loud as ours. Their Booth for "hungry people" at the Fiesta was a real money-maker. They sponsored two Award Banquets, honoring spring and fall athletes.

Parents provide Dominguez securities

1959-60 BOOSTER CLUB members were: Messrs. W.B. Spencer, Harold LeBlanc, William Craig, Glen Van Auker, M. McKelvey, Maynard Goodwin, Ray Butt, Lester Forsythe, Joseph Arias, and Chester Archambault.

NURSE'S AIDS: ROW 1. Jayne Browning, Judy McCarthy, Mrs. Barbara Geraghty, Jean Hogue, Pat Deaver. ROW 2. Nancy Maughan, Sharon Riley, Sharon Pruett, and Sandy Weaver.

NURSE'S AIDS, the Florence Nightingales of our school, applied band-aids, took temperatures, and comforted the ill. They were especially helpful in the office when MRS. GERAGHTY was on home calls.

CAFETERIA HELPERS: Sally McClain, Edith Palmer, Charlie Pili, Marilyn Whewell, Richard Dybicz, Toni Ledestich, and Dennis Dybicz.

CAFETERIA HELPERS were an important and faithful working group. Food tasted better when served quickly with a cheery smile. Others performed this service, but were camera shy.

Their help make them invaluable

LIBRARY ASSISTANTS delivered fine slips, stacked books, typed reports, and planned clever bulletin boards. They learned the valuable lesson of quiet routine that a library demands.

Bank officials take time from their busy schedules to enjoy a game of golf. Many banks sponsor regular bowling teams because they recognize the need for physical fitness. Dominguez also emphasizes this need. Sports could be termed the nerve center of our school. Through daily physical education classes and team competition every student can find added enjoyment. Here we show our competitive SPORTS program.

WHAT A SEASON FOR 1959! The Dons were picked for last place and ended in second place. The experts certainly missed this one.

After a rather sluggish practice game schedule, the team seemed to respond more to the hard work and met Warren High School at full strength.

This was the Don's league opener and handed the host Bears a 7-0 defeat at their homecoming. From then on through the remainder of the league schedule, Dominguez had earned respect from its opponents.

The tremendous victory over Lynwood in our final game will certainly give those that played in that game a life-long feeling of accomplishment and satisfaction. The Dons looked their best and played their best that night.

TOM CORTY, JOE ARIAS, RON WORKMAN and KENT COOK took league honors. TOM CORTY was named outstanding lineman of the Coast League and made third team all C.I.F.

Our one big hope and aim is that seniors who leave Dominguez will keep moving up the ladder of success not only in athletics but in whatever field they may choose. For those who will be returning, the challenge will still be there, and so will the hard work and sacrifice so necessary for a true athlete.

QUICK THINKING Don defense prevented a single score in an 18 to 0 victory as MIKE BENDORF prevents Oxnard's gain when he blocks the receiver.

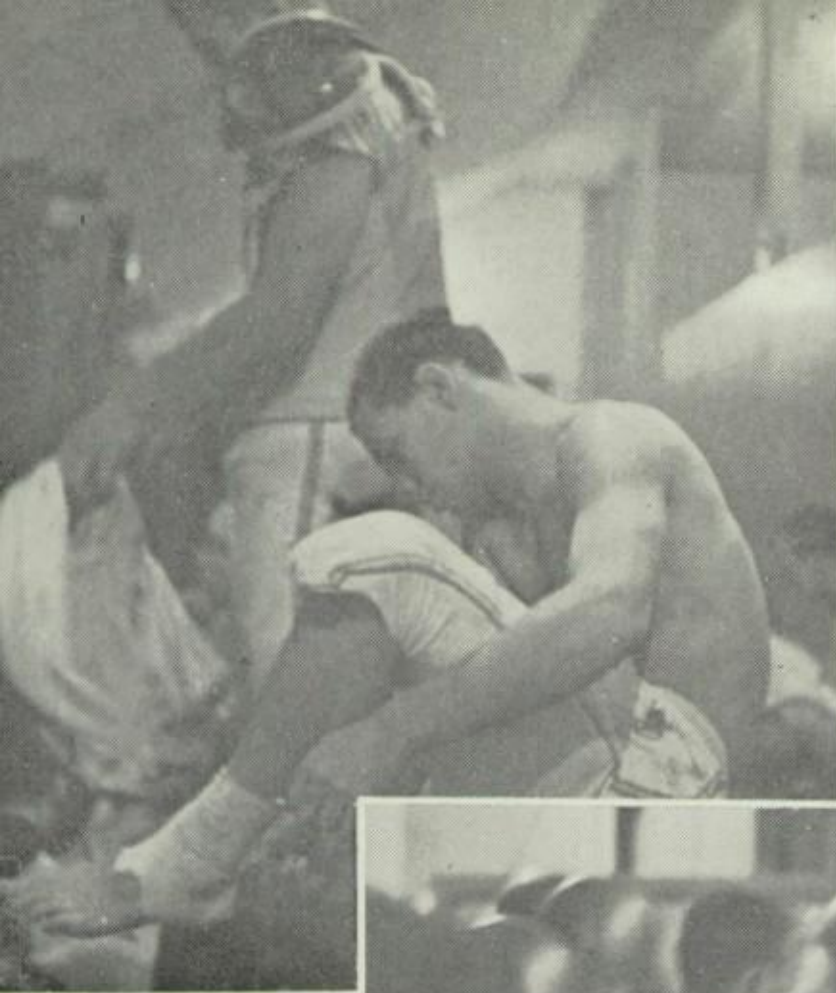

GOOD BLOCKING helped LONNIE SAUL flash by a Pirate in a close 14 to 12 win for the Dons against Paramount.

HELMET WITHOUT PLAYER: RON WORKMAN keeps going as his helmet is knocked off by Lynwood tacklers in the last game of the season. Dons win 20 to 12, docking Lynwood's first place C.I.F. standing.

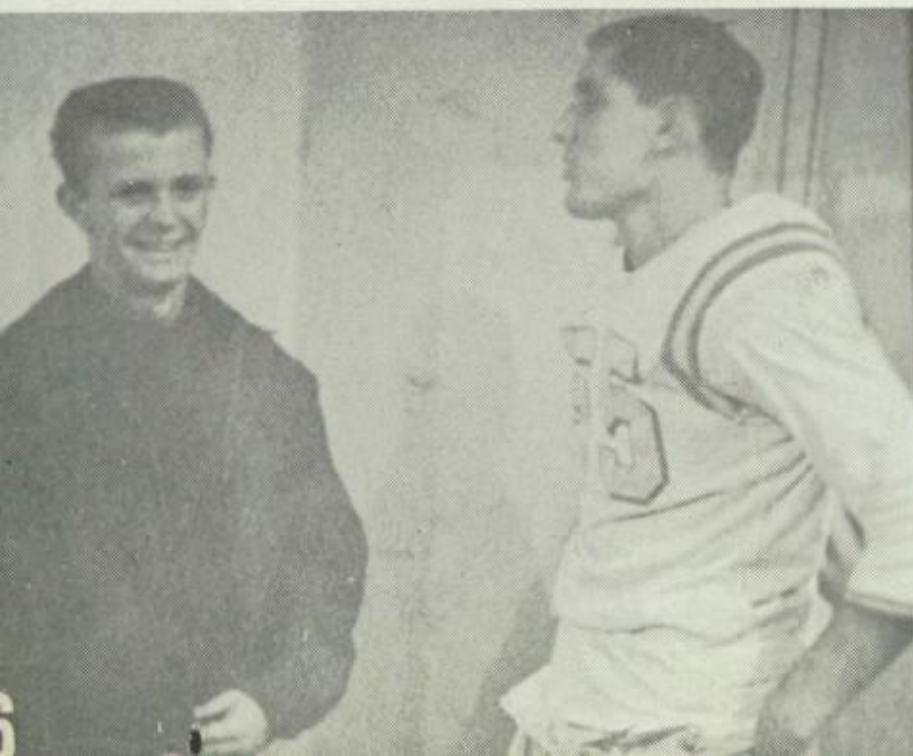

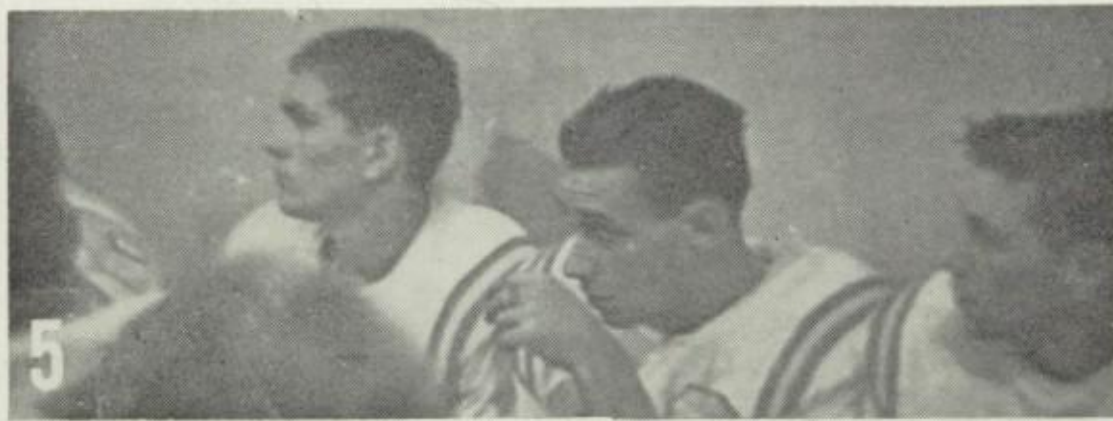

TWO CENTENNIAL WARRIORS finally down KENT COOK as he breaks through their defense for a big gain. In the final score Centennial rallied a 12 to 6 victory over the Dons.

J.V.'s are young and promising

The main purpose of our JV TEAM is to supply new material for the varsity. This year our coaches were well supplied. Coach Cossarek, who has taught these boys many of the fundamentals, hopes that with this beginning the next two years at Dominguez should produce a seasoned crop of Varsity players.

BOTTOM LEFT: KEN EVELYN is tackled with the ball as the hole didn't open against Norwalk. BOTTOM RIGHT: Key blocking by RON CALVERT opens the way for CHUCK KANOY as he skirts end against Centennial.

B's on the way up

BOTTOM LEFT: The way is cleared around end by FRED MALER, and BUTCH STREHORN carries the ball for a touchdown against Norwalk. The B team's tough fighting spirit brought them through with another win.

Said coaches PEEK and LAVALLE; "We have coached a hard fighting, and tough B Team. These boys are too small to play varsity or JV football, so they play B football with a great fighting spirit. This is typical of Dominguez High."

Cross country ran a good season

This year our VARSITY CROSS COUNTRY entered in Triple A Coast League competition for the first time. Despite the underdog label the team took a third place rating, winning 3 out of

their 5 league meets. When the varsity didn't make a good showing, the fleet-footed JV's came through with a win. Coach Rozelle said, "The 1959 Harriers could not have been a finer group of boys."

JUNIOR VARSITY: ROW 1: Dave Kurrle, Bill Booth, John Ortega, Richard Marshal, Mike Magabellin, Loyd Broderson, Larry Price. ROW 2: Larry McWhorter, Wayne Albinger, Gary Kazarian, Mike Chamberlin, Dan Van Gruening, Ron Shaw,

CO-CAPTAIN RALPH HOUSKA finishing a tough race against Centennial, which we won, hands down.

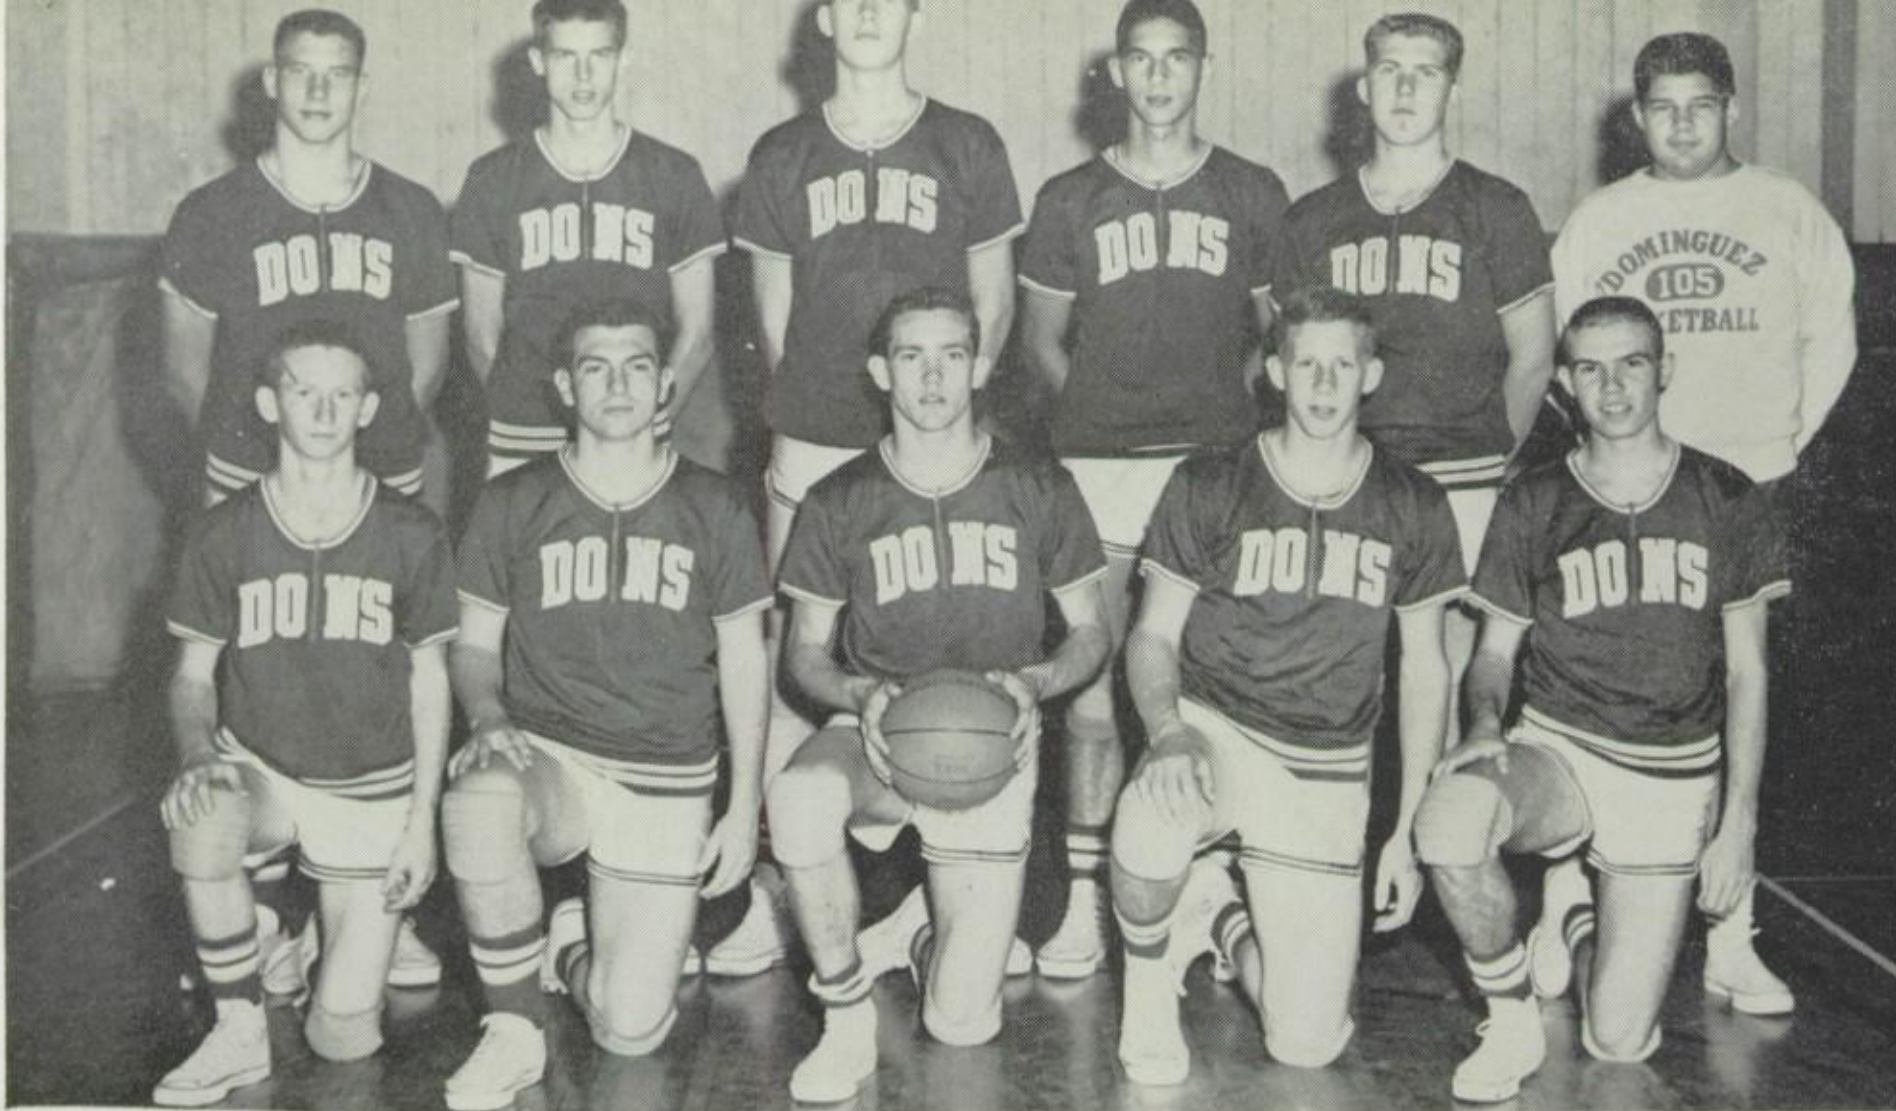

CO-CAPTAIN DAVE PARKER took second place at the Mayfair and Pius meet. This was one of his many great performances of the season.

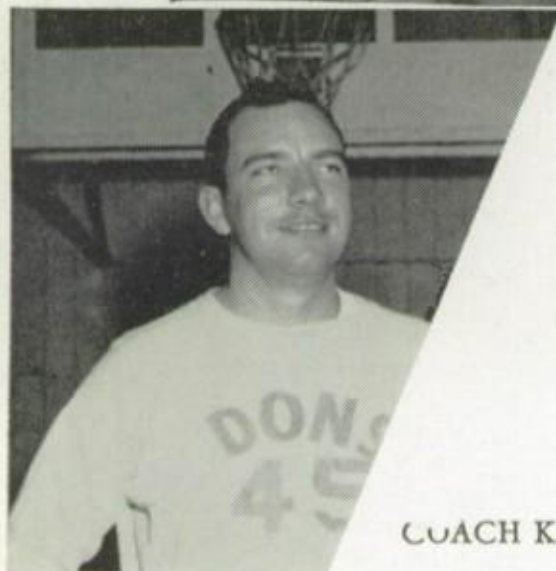

MAYFAIR AND PIUS MEET: Thirty two hopefuls dash toward the finish line in the mile and 8 tenths. JV's took the race with such outstanding runners as JOHN HAAS and GARY KAZARIAN.

UNDER THE WATCHFUL EYES of Coach Rozelle many boys have emerged as great athletes. Duke Snider was one of Coach Rozelle's proteges. Here at Dominguez we regard our cross country runners as great as the Duke. Coach Rozelle has always donated much of his personal time in our cause. Students and athletes alike regard him with affection.

Hoopsters merit credit

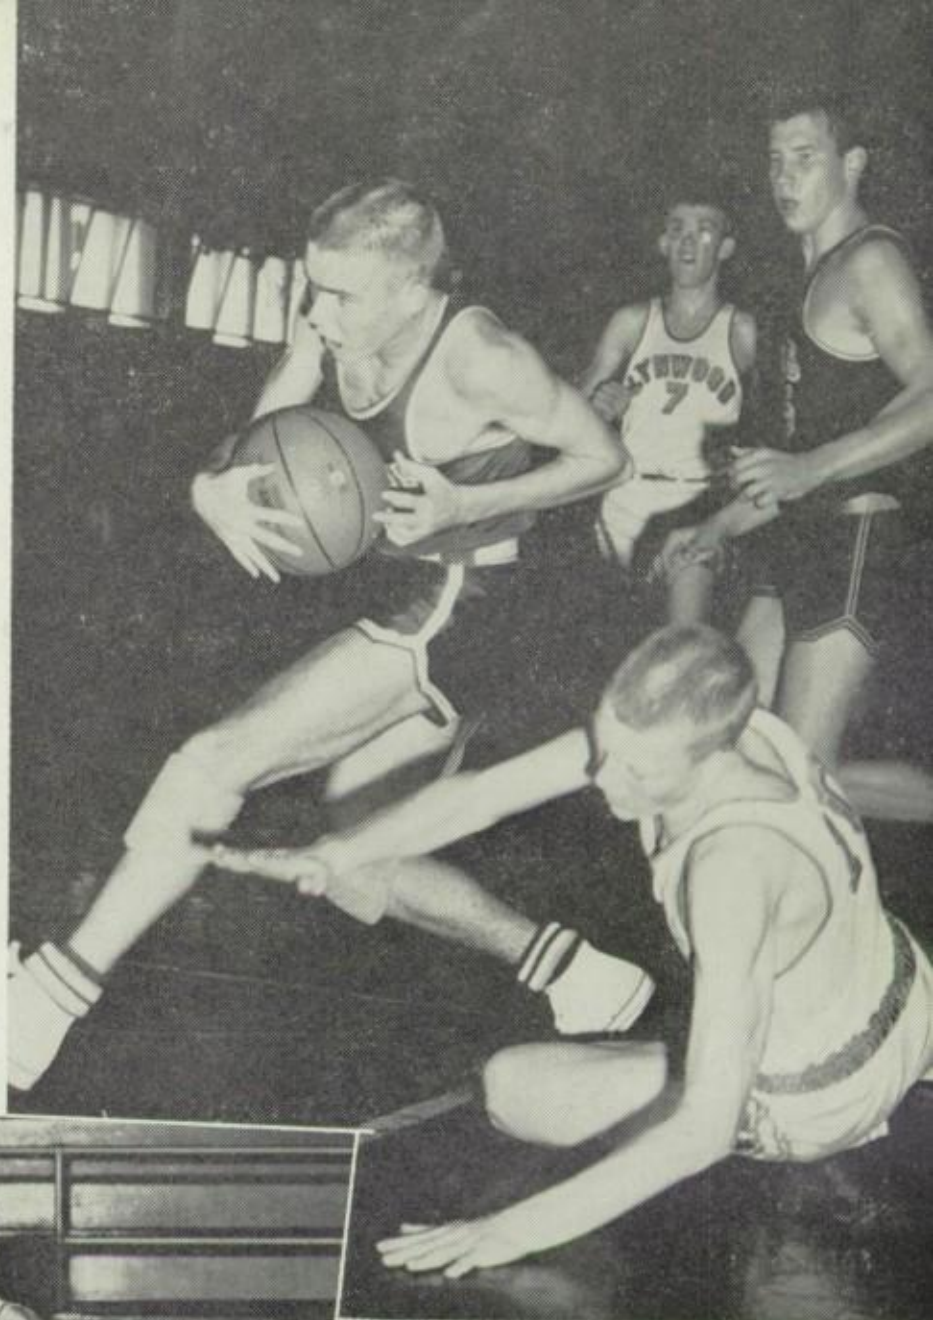

Our VARSITY BASKETBALL team ran into stiff competition in their first year of Coast League participation. The boys dropped 11 games by six or less points which included a double overtime loss. During the course of the year, our team met seven league champions. In this group was Long Beach Poly, who later became C.I.F. Champions. Throughout the entire season, the Don hoop men kept a never-say-die attitude, and this finally won out when they pulled the biggest upset of the league by knocking Centennial out of a possible first place with a score of 62-58. What a game!! The Dons were led by co-captain DAVE STEINERT'S consistent play, co-captain DICK MALLEY'S vicious rebounding and (left) JIMROOKER'S scoring punch. Other Seniors who helped the cause were ED TALMAGE and DON HARRIS. Next year it is hoped that two returning junior lettermen, hard driving CHRIS JOHNSON and long shot artist "RED" RADFORD, both of whom saw a great deal of action this year, will put the Dons on their winning way.

J. V.'s played hard and won often

SAMMY NEIL makes a vain attempt to capture the ball in second round competition with Centennial. This Centennial loss gave the Dons a second place Coast League rating.

GEORGE SHELTON converts a lay-up into two points, in a close game against L.B. Poly, Dons were overcome by a small margin.

Watch out for next year! The J.V.'s gave us hope by romping home with a second place in the Coast League race. Steady improvement and fine play marked the young Don's formula for success. Next years' varsity squad should see added height with RICH BRITTON, 6'5"; SOPHOMORES LARRY LASSETER, 6'5" and HERB "THE HILL" SCHNEIDAU, 6'8". Not to be overlooked are sharp shooting FRED MAYERS and DEAN POPPE, the 5'8" field general of this spirited team. Others who played well were SAMMY NEIL, STEVE McJUNKINS, DAN FOWLER, JOHN RYAN and HARRY HALVERSTADT.

In three way first place tie most of season

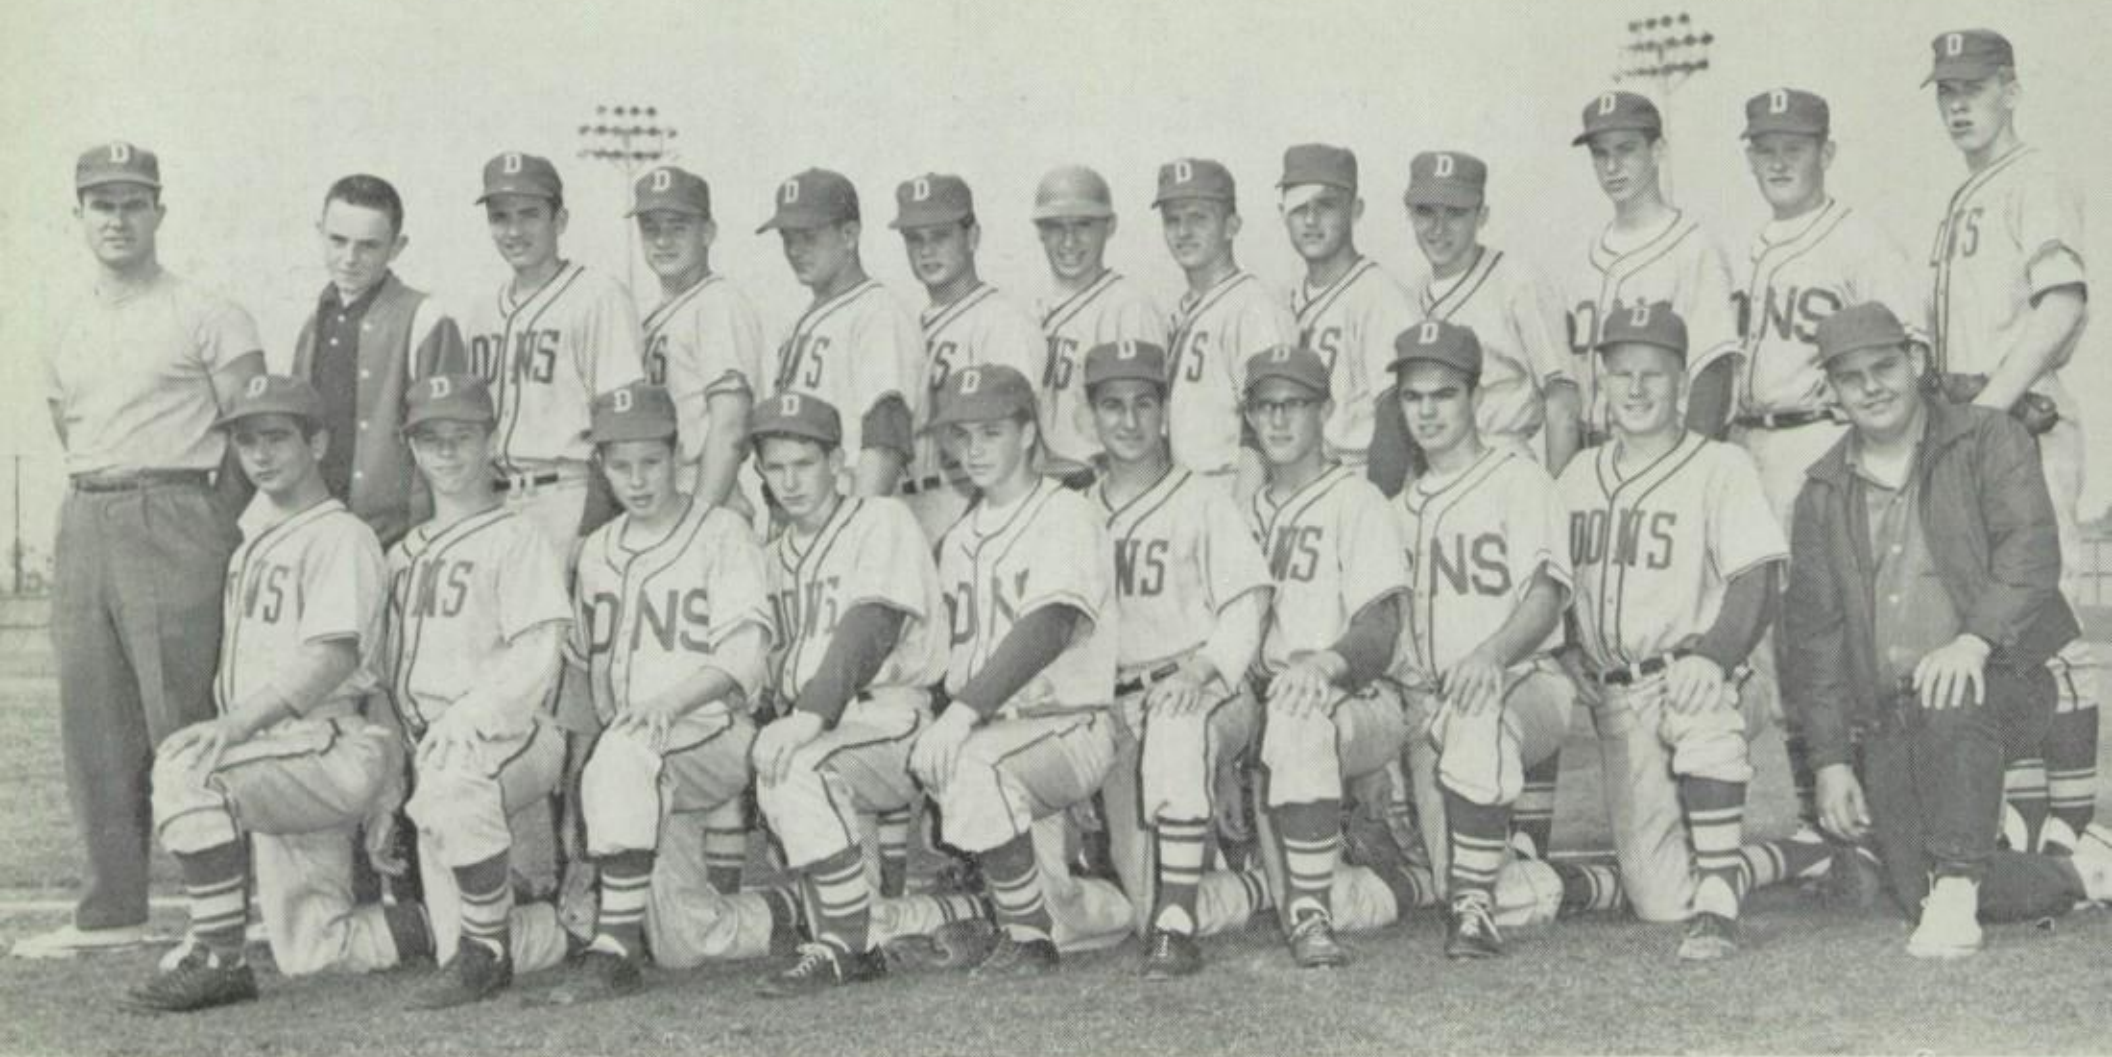

DOMINGUEZ VARSITY BASEBALL team can be characterized by good pitching, good fielding, weak hitting and consistent hustling. The Dons have been a hot and cold ball club mainly because of an inability to wield the "big bat" with consistency. As a consequence the horse-hiders played many close, exciting games and have won or lost by virtue of dramatic pitching performances or last-minute tragedies.

Following a short five game practice schedule, the Dons opened the Coast League competition in championship fashion with four wins and one defeat in the first round of play; however, the second round brought disaster as only one win resulted from five contests. At the end of the second round, and with five games to play, Dominguez had won five and lost five in the always tough Coast League.

Highlights of the season for the Dominguez pitching staff included a 13 inning, 21 strikeout performance against Lynwood by LINDY KURT, flawless relief jobs by HARRY DUBIN, including a stretch of 13 scoreless innings over three games, MIKE DIEBNER'S two-hit gem in the league opener and an 8-0 shut-out win over Paramount by JOHN SWARTZ.

GARY JONES and LINDY KURT shared honors in the offensive statistics, each batting around .325 and alternating as leaders in the R.B.I. column. JIM ROOKER batted three home runs to gain his share of the glory. The usual starting line-up was made up of DON HARRIS (co-captain), catching, LINDY KURT (co-captain) 1B, GARY KEATING 1B, CHUCK STREHORN 3B, GARY JONES SS, JIM ROOKER, DENNIS FITZ and either ED TALMAGE or MIKE BENDORF in the outfield. REGGIE GARCIA relieved KEATING at second base and the pitching chores were handled by MIKE DIEBNER, JOHN SWARTZ, HARRY DUBIN, and LINDY KURT.

J.V. Baseball Coach Neil Peek

J.V. BASEBALL squad remained on top as Coast League defenders. Throughout the season the team was sparked with a fighting attitude that is typical of our school. The team's batting performance ended with an average of ten hits a game. This was one of the main reasons why the J.V. team proved to be the most powerful over all in Coast League Competition.

Don wrestlers grapple skillfully

DON VARSITY WRESTLERS took fifth place in the Rio Coast League this year, winning two of their seven league matches. Though wrestling is still new at Dominguez, competition is great. Dominguez grapplers faced some of the toughest teams in this area. The sophomores that came out for wrestling were an added shot in the arm. When next year comes around the Don grapplers will be mostly two and three year wrestlers. Experience means much in the field of wrestling and it takes two or three years to gain a knowledge of the sport. Members will attend a summer wrestling course this year. Coach Cossarek says, "With this added help, the Dominguez wrestling team will be a tougher one next year".

Track Coach Don Ruh

With the end of the third competitive season in track, Dominguez High School has firmly established its name as a track school in Southern California. Its future in track continues to look bright as the 1960 squad had many sophomores and juniors turning in record-breaking performances. The Coast League, again one of track's strongest, made it difficult for the small Dons to rank high in the final league meet standings.

The 1960 Season, in review, reveals the following high points:

Dual Meet wins over Norwalk High School in Varsity and B classes.

Dual Meet wins over Long Beach Jordan in A and B classes.

Dual Meet wins over Paramount in Varsity and B classes.

Varsity team Championship in the Third Annual Dominguez Relays.

Eighth place in thirty three schools in Arroya Invitational, sixth in the C class.

Over seventeen school records set by the 1960 A, B, and C, teams combined. 1959 C-660 Champion, CHRIS JOHNSON, ranked nationally with high school middle distance runners.

Top distance men this year were BARTO WASH, JERRY THOMASON, CHRIS JOHNSON, rated as one of Southern California's leading half milers, and DAVE PARKER, who carried the Olympic Torch a mile through the San Fernando Valley for the Winter Olympics at Squaw Valley.

I wish you all the best in the
world. Hope to see you this summer.

P. S. Call me sometime.

knowing you these past
few years. You're a very
sweet girl & are always
ready with a smile. Best
of luck to you & Paul in

Myna Cunniff

Karen:
Well we finally
made it. It's been
a long hard road to go
at times but I think it was
worth it. Remember when you and
Paul got married don't forget us because
we won't ever forget you. You are real
sweet Karen, and a ball to be with. Maybe
sometime me and Wayne and you and Paul can get
together and have a blast like we used to o.k.
you know how much I think of you and I really hope their
is no hard feelings between any of us about the cars.
Wayne has had trouble with his and Paul with his
so I guess they both came out even. Maybe we
can get a job at the same place that sure would
be neat huh? Well Karen I can't write what
I really want to say but I think you under-
stand what I mean.

Love,
Pat Roobers

been the same. HAHA!
